## **Selma, California**

About six years ago I started helping with the Youth program at Selma First Christian Church. I worked with two different Youth Ministers during that time and enjoyed every minute of it. Now I am the Minister of Youth and Young Adults. I have a passion for working with Youth and Young Adults. It's a time of life where you really find out who you are and discover what you want to do with your life. I enjoy helping individuals discover their strengths and work on their weaknesses. It has been a pleasure to work with the youth and watch them grow and blossom into young adults. I have a full-time job at Modern Welding Company in Fresno, CA. I live in Kingsburg with my husband and 3 cats. I enjoy running, fishing, and spending time with my loved ones.
